

Welcome to PowerSource

PowerSource is Pearson's online training and support website for PowerSchool.

If you have already activated your PowerSource Account proceed to page 3.

Activating your PowerSource Account:

- To start using PowerSource you will first need to activate your account. You will receive an email from powersource@pearson.com stating that an account has been created for you.
- Click on the activation link **in the email** and you will be directed to the PowerSource website to enter your password.

The screenshot shows the PowerSource website's account activation page. At the top, the Pearson logo is on the left, and navigation links for 'Products', 'Solutions', 'Support', and 'C' are on the right. Below the navigation is a header with a power icon and the text 'PowerSource'. The main heading is 'Activate Your PowerSource Account'. Below this, a message reads: 'Enter a new password to activate your PowerSource account. After you successfully activate PowerSource.' The form contains two password input fields: 'Password *:' and 'Confirm Password *:', both with masked characters. A 'Submit' button is located below the second field. At the bottom of the page, there is a footer with the Pearson logo and the text 'Activate Your PowerSource Account'.

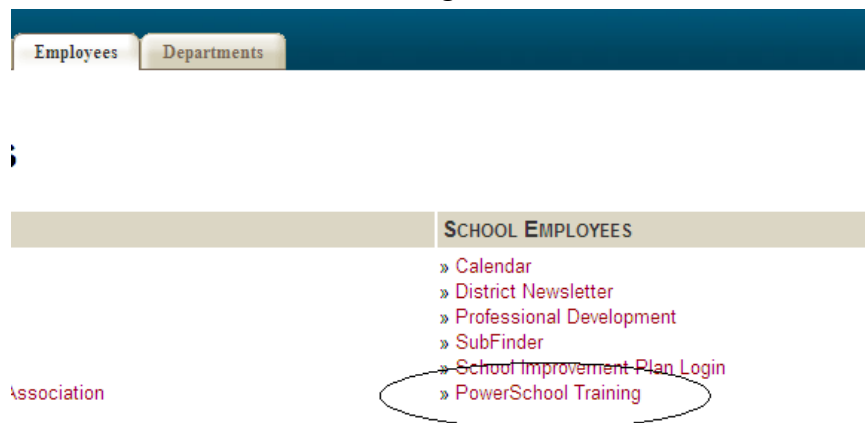

- Enter your desired password twice, then click 'Submit'
- After clicking 'Submit', you will be re-directed to the PowerSource website where you can access the online training tutorials.
- If you did not receive an activation email please contact the help desk, 801-578-8224 option 2, and we will send you another activation email.

Accessing PowerSource

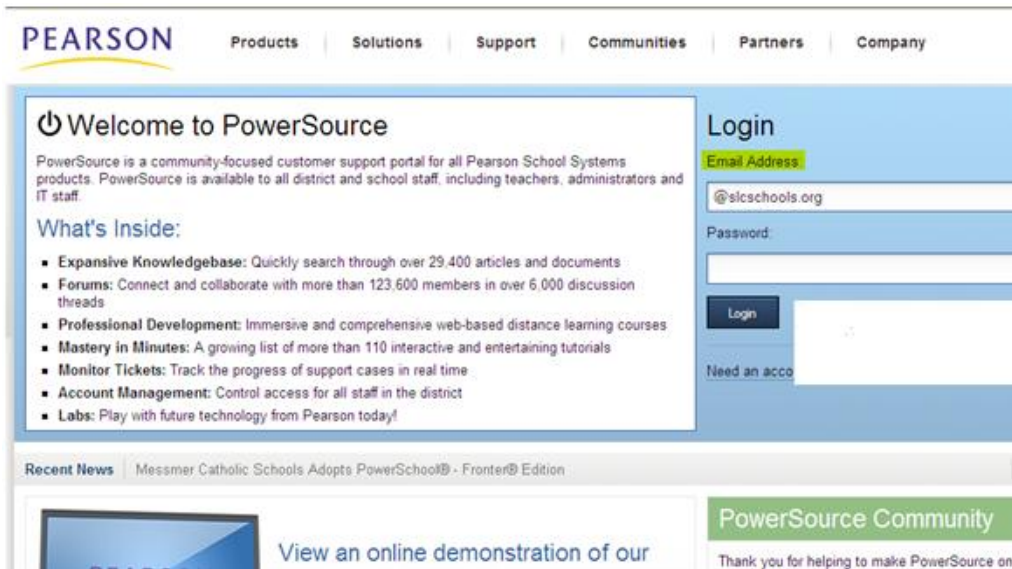

- You can access PowerSource two different ways
 - by typing the URL in your browser: <http://powersource.pearsonschools.com>
 - From the District Website, click on the 'Employees' tab

- Click on the 'PowerSchool Training' link.

- You will then be directed to the PowerSource website.
- ***If you have forgotten your password call 801-578-8224 and select option 2***

- Login with your email address and the password you entered when you activated the account.

Click on the training tab.

Distance Learning

(Distance learning is the heart of the training. Training modules vary in length. The modules can be stopped at anytime and can be resumed at the point where you left off)

Click on Distance Learning.
