THE POLICY

The Salt Lake City School District Board of Education ensures that a free education is provided to all district students in grades K-6. For students in grades 7-12, the board approves and adopts an annual student fee schedule. When a school fee is charged, the intent is to assist in recovering costs without realizing any profit. Every effort shall be made to keep student fees to a minimum. Fee, fee waiver, and refund procedures will all be adopted and implemented in accordance with state law and this policy.

The purpose of this policy is to permit the orderly establishment of a reasonable system of fees, to provide annual notice to students and their parents/guardians of the board-approved fee schedule and fee waiver procedures, and to prohibit practices that would exclude students unable to pay from participating in school-sponsored activities.

The district will set forth its specific processes for implementing this board policy through the accompanying [administrative procedures](#).
